Dear Amy,

All of us at the Dixon May Fair want to take this opportunity to thank you, Michael, Jessie and the guys in the band for a great Mother's Day performance. I am quite sure this correspondence will act as a letter of reference at some point so, I would like to list the reasons we invited you back to headline the 2004 fair.

First, the music is just about as good as it gets and... it's all new and original.
Second, the vocals (both Michael and Jessie) are as good as the music.
Third, the entire band really connects with the audience.
Fourth, you (Amy) are on top of things as of the first conversation. The promo material is on time; the CDs are on time; the contracts and riders are on time; even the band was on time!

I expect The Michael Thomason Band will require booking far in advance very soon. The entire organization is extremely talented and highly professional. We look forward to seeing you very soon.

Sincerely,
